PETITIONS OFFICE

**PETITION TO WITHDRAW APPLICATION FROM ISSUE BEFORE
SEPTEMBER 30, 2003 DUE TO PTO MISTAKE UNDER 37C.F.R.1.313.****(Filed by Telefax)**

37C.F.R.1.313(b) states that after the issue fee has been paid, the Office may withdraw the application from issue due to "a mistake on the part of the Office."

In the present case, the mistake is that the patent is set to issue on September 30, 2003, even though Applicant was given until October 11, 2003 to file corrected drawings (see Exhibit A), which are necessary to make a suitable presentation of the invention.

The present application was filed on August 18, 2000 with informal drawings. However, in the Notice of Allowability (Exhibit B), it is stated that the drawings filed on August 18, 2000 are accepted by the Examiner.

After the issue fee was paid, a Notice Regarding Drawings with a PTO-948 Notice of Draftperson's Patent Drawing Review attached (Exhibit A) was mailed on August 11, 2003, giving Applicant two months to submit formal drawings. Such drawings have already been prepared and are ready to be filed. However on September 16, 2003, Applicant received an Issue Notification (Exhibit C) stating that the patent is set to issue on September 30, 2003. In a telephone conversation with the Office of Patent

Thomas Theodore Mabry
Atty. Docket No. 0918.0064C

Publication it was learned that the Notice Regarding Drawings had never been entered by the PTO to the official application file.

It is therefore requested that the application be withdrawn from issue at PTO initiative as required by 37C.F.R.1.313.(b). It is submitted that good and sufficient reasons for the granting of this petition have been presented.

The undersigned may be reached by telephone at 301-530-5629.

Respectfully Submitted,
